## Before packing consider:

Our guides are equipped with advanced first aid kits, skinning knives, games bags, a pistol, bear spray and an inReach.

If you are flying, you can have coolers shipped to our lodge a week prior to your hunt.

If you are planning to take the cape home a heavier game bag with zippers is better to preserve the capes while frozen

Bedding, pillows, towels, and wash cloths are all provided at the lodge.

If you don't like to travel with cash, guides have PayPal/Venmo for tips.
